The President now requests that the

ing the appointment of the Health

Member of the Sanitary Board in
place of the District medical Officer
Kolar Gold Fields I have the honor

to state that in recommending the Health Officer for a seat on the Board, it was never Contemplated that the District Medical Officer should be displaced, as his Services on the Board have always been found very necessary and useful. Vice President of the Sanitary Board Kolar Gold Fields requesting sanction to the retention of the Govt medical officer also as ex-officio member of the said Board.

Order thereon No 8/5-6 — 23.7.09.
" 2832/5-08.

Government regret that they are not prepared to sanction the proposal of the Sanitary Board as it is undesirable to increase the total number of members on the Board or to have a second Govt medical officer on the Board, as it is possible that conflict with one another. Now that a separate Health Officer has been appointed for the Kolar Gold Fields Govt consider that

with the Senior Surgeon, who was consulted in the matter, in considering that there is no necessity for the representation on the Board of the Govt medical ~~officers & that the~~ Health Officer having been appointed, the medical officer should be relieved of all Sanitary responsibility on the fields so that he may have ample time and opportunity for Hospital work.
